# The Daxi Museum is a museum of life.

Daxi Wood Art Ecomuseum (The Daxi Museum) is a thematic municipal museum on wood art, life, and culture located in the Daxi District. It is also a museum that engages in co-creation and growth with the Daxi residents.

## Begin Tour Here

Various themed exhibition structures span the Ecomuseum campus. This is the place to begin your tour after the museum staff members help you figure out the best tour program for you.

### House No. 1

This is the first stop you make to begin one of the best tour experiences of your life.

### Visitor Center & Family Space

The center provides visitor information and a family space with an illustrated children's book section.

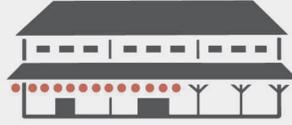

## Daxi Tales by Daxi Townsfolk

Every building structure is a vessel for history, and every story, a vessel for memories. Explore the tales and sagas of Daxi presented in each and every story house.

### Li Teng-Fang Mansion

This exquisite, ancient manor is a treasure trove of anecdotes and life experiences of a bygone era.

### Lunar June 24 Story House

Experience the allure of traditional festivals!

### Daxi History Hall

Unbox the key figures, events and artifacts of the Daxi community.

### Fong Fei Fei Story House

A songstress of international reputation from Daxi.

### Peoplescape Daxi Pavilion

Learning the existing state of Daxi. Let AI generate the Daxi view for you.

## Crafting Stories through Arts, Creations and Learning

Daxi boasts a rich history of woodworking and wood art spanning a hundred years, which encompasses the transmission of the town's woodcraft legacy lineage, and contemporary art development. Crafts and arts are integrated into life through exhibitions and systemic learning programs.
