2023 GO SMART AWARD

- Application Dates -
Sep. 5- Oct. 31, 2022

Initiation

To commend the excellent performance in the promotion of Inter-City PoC projects among governments and other city stakeholders, the GO SMART encourages Inter-City PoC exchanges between cities by a yearly award contest. The contest seeks to stimulate active urban innovation knowledge sharing between cities and create the opportunities for other city stakeholders to showcase their solutions, products or services.

GO SMART

Why Attend

Connections
Showcase your solution to the GO SMART community, from city representatives to industry leaders in smart city domains, and get endorsed as GO SMART highlight projects.

Visibility
Build strong relationships with smart city focused cities, industry leaders, experts, and entrepreneurs from the region and around the globe. The winning projects will be promoted worldwide.

Demo Booth
Winners will be invited to demo at GO SMART pavilion in Smart City Summit & Expo.
