?
**This helpful checklist
will get you started.**

- ☐ 01 Bring in potted plants from the balcony.
- ☐ 02 Strengthen doors and windows.
- ☐ 03 Prepare the emergency go bags by the front door.
- ☐ 04 Stockpile emergency protective materials such as sandbags, and flood gates.
- ☐ 05 Assemble the disaster supplies kit including water and food for at least three days.
- ☐ 06 Trim or remove trees close enough to fall on buildings.
- ☐ 07 Know types of disaster risk in your area and make an emergency plan.
- ☐ 08 Declutter drains and gutters.
